E500

Description

(No title)

E500

SmartPOS

The E500 is a next-gen SmartPOS that heightens the user experience with its bright merchant-facing touchscreen and customer-facing display. Through PAXBizÂ® powered by Androidâ?¢, this all-in-one game-changer delivers a solid performance in any retail and hospitality space, such as bookstores, coffee shops, hotels, and more. The E500 exceeds the standards of a seamless user experience with its carefully designed components, including a 3-inch high-speed thermal printer with an automatic paper cutter, multiple peripheral ports, 4G (optional), BluetoothÂ® wireless technology, Wi-Fi communication options, and dual cameras.

- All-in-One Integrated Solution
- 8â?³ Merchant-Facing Touchscreen
- 4.3â?³ Customer-Facing Display
- 2MP Front Camera, 5MP Rear Camera
