The Compact, Paperless Solution

Weighing only 300g, the A60 offers all the advantages of the A-series in a featherweight, elegant design. It is paperless, helping reduce your environmental footprint as well as stationery costs.

With inbuilt 4G, WiFi and Bluetooth communication, the A60 can either be a standalone wireless device or an elegant in-store cordless desktop solution when paired with the BP60A docking station for printing, charging and additional peripherals connectivity.

Ergonomically designed, PAX's A60 features a 5-inch display with brilliant HD resolution and inbuilt cameras reading both 1D & 2D codes. Improve both the consumer payment experience and your in-store aesthetics!
