

IM20

All-In-One Unattended Terminal

The IM20 is a compact, all-in-one payment terminal that fits many different use cases. Its versatility brings a new level of convenience to common hustle-and-bustle payment hotspots, such as ticketing kiosks, vending machines, and parking. The IM20 offers a complete communication interface that meets all your customers' transactional needs in one place, giving proof that the powerful all-in-one terminal can make any payment secure and easy.

IDEAL USES
