

ARIES8

Multifunction SmartPOS Tablet

Combining tablet technology with secure payments in a ruggedized design, Aries8 represents the next generation of SmartPOS technology for any sized retailer. The ergonomic design allows Aries8 to be stand mounted, incorporated into unattended kiosks, or used for Mobile applications. The pistol style handle, vibrant 8" display, and embedded payment module enable retail mobile applications, such as POS/line busting and ordering, as well as consumer applications, like bridal registry and self-service POS.
