

# A50

## SmartMobile

PAX's A50 is a new generation handheld SmartMobile device specifically designed for modern merchants looking for a flexible, in or out of store payment solution with a small footprint. The size of a small mobile phone, the A50 fits comfortably in the hand and the stunning high definition 4.5" touchscreen display offers a user interface superior to traditional POS terminals. Supporting EMV and NFC transactions, the A50 also offers built-in dual cameras with LED flashlight which can read 1D and 2D codes.
