

# Q30

## Versatile Retail PIN Pad

PAX Q30 is a high-performance, multi-function payment terminal for the retail marketplace. The sleek design, coupled with the latest certifications, and fast processor make the Q30 a versatile product that can operate in virtually any retail environment. The high-resolution capacitive touchscreen with electronic signature capture and flexible connectivity options allows the Q30 to operate as either as a fixed mount or hand-over device. The integrated camera that supports barcode and QR code reading, along with a dedicated contactless area provides retailers confidence that emerging payment types can and will continue to be easily supported on the Q30.
