

D135

Invisible and Discreet mPOS

PAX D135 is a compact and lightweight mPOS terminal, which can be easily paired with a wide range of smart devices such as phones and tablets via communication and connectivity options. Weighing less than 3 oz, the ultra-light D135 packs high efficiency and portability to deliver a seamless payment experience, for merchants of any size. Two D135 configurations will be available. The D135_SCR, which includes a Magnetic Stripe reader, Smart Card reader and Integrated contactless, is PCI 5.1 SCR certified for Chip & Signature and is supported by PAX EasyLink software architecture. The D135_SCRP, which is PCI 5.1SCRP certified, adds PIN entry support on the connected smart device via integration with the PAX Software PIN on COTS (SPOC) certified back-end monitoring system and a PIN CVM app.
