

# D180

## Cost-effective mPOS

PAX's D180 is a stylish and cost-effective wireless mPOS terminal, PCI PTS 5.x certified, which connects to a wide range of smartphones, tablets, and PCs. The D180 delivers a seamless transaction experience: easy to use, convenient, and fast. Supporting multiple short range wireless communications, and with buzzer, the D180 streamlines your payments whenever or wherever necessary. Acquirers and processors can generate new revenue streams by enabling a whole suite of new merchant categories to accept card payments. The advanced architecture used inside the D180 helps reduce post-development and maintenance costs.
