## Multifunction SmartPOS Tablet

Combining tablet technology with secure payments in a retail-ruggedized design, the Aries8 Pro SmartTablet represents the next generation SmartPOS that is suitable for any size or type of retailer. The innovative Adapter Plate allows the SmartTablet to be countertop-mounted using existing third-party stands, provides different wired connectivity options, while also allowing the SmartTablet to be easily removed for mobile applications. The Aries pistol grip handle transforms the SmartTablet into a truly ergonomic mobile solution offering additional battery capacity and a trigger for actuating the front edge professional scanner to support high-volume and fast applications such as POS/line busting, inventory taking, product ordering, and many more. With multiple fast-acting capabilities, the Aries8 Pro makes a perfect solution for any versatile retail and hospitality environment.
