E700

SmartPOS

The E700 is a fully functional SmartPOS device with integrated payment, in an ergonomic form factor. *PAXBiz®*, powered by *Android™*, coupled with the large (12.5"), all-perspective IPS touchscreen, easily handles any POS application. The fully integrated, consumer facing, PCI PTS certified payment module and camera support all electronic payment types. The low-profile design and different communication options makes the E700 flexible enough to fit into any retail countertop.
