END OF LIFE NOTICE: A80 Android 6 and 7

To Our Valued Customers and Partners,

PAX Technology, Inc. is proud to provide the market with the most innovative and secure payment technology solutions available. As part of this focus, we must discontinue production and support of older products as necessary.

We have made the decision to officially announce the End-of-Life of our **A80 PCI 5.x Android 6 and 7 versions**.

PLEASE NOTE!: This EOL notice does not affect the A80 Android 10, PCI 6.x versions (part numbers listed below) which were released in 2022 as a natural progression from the Android 6 and 7 versions.

- A80-OBA-RD6-00AA
- A80-OBA-RD6-01AA

Only the following PCI 5.x A80 Android 6 and 7 part numbers are now End of Life:

- **A80-MBA-RD5-13AA**
- **A80-MBA-RD5-12AA**
- **A80-MBA-RD5-11AA**
- **A80-MBA-RD5-01AA**
- **A80-MBA-RD5-14AA**

FINAL ORDER DATE: With the **release of this notice**, we will no longer be taking or shipping any further orders for Android 6 and 7 part numbers listed above. Current orders have or will be fulfilled as remaining inventory allows.

END-OF-DEVELOPMENT DATE: There will be no new PAX-sponsored software development or application enhancements after **the release of this notice** for the Android 6 and 7 versions listed above. PAX will however continue to issue bug fixes for critical issues for **1 year**, or until **28-March-2025**.

END-OF-SERVICE DATE: We will endeavor to do repairs for the Android 6 and 7 versions listed above up to 1 year after the date of this notice or as component availability permits.

Please feel free to contact your local PAX salesperson for additional information.

Thank you,

Matthew Halawa
